Band To Present Patriotic Concert Sunday, June 28

USO To Sponsor Open Air Event At Marchbank Park

With a "blare of bugles and a ruffle of drums," the Daly City Band will present a patriotic program of Army and Navy march tunes in an open air concert under the auspices of the Daly City USO 1942 campaign for local citizens, Sunday, June 28, at Marchbank park.

Not only will the concert be highlighted by the forty piece musical unit under the direction of George Brenner, but the concert will also feature many special numbers, vocal solos, and patriotic specialties. The concert will begin at 2 p. m. and the public is invited to attend.

Speaker for the afternoon open air program is Ted Gifford, director of radio publicity for the USO.

In an evening performance at the Jefferson Union high school auditorium, the music department of the high school staged a USO Benefit Show, Thursday night, which netted $50 for USO funds.

Daly City's campaign hit the "One Grand" mark this week when William P. Bolger, chairman of the local drive, announced that over $1000 has been collected in this community.

"We still have a lot of cleaning up to do," Bolger said, "but the drive has been very good here. Everyone seems to be showing fine spirit in donating to such a worthy cause."

Canvasses have been made in the Daly City business district along Mission street. Meanwhile, all residences in the city are being covered by a corps of collectors in a house to house canvass. The city is divided into eight sections according to the civilian defense plan of police sections. A police officer is in charge of collectors in each district.

Three To Assume Executive Duties

Following the resignation of Arthur H. Quirmbach as chief air raid warden to Daly City's Civilian Defense Council, to allow him to devote time to mobilizing a gas de-contamination squad, three officers were appointed in executive duties as wardens.

Harry Melicker, formerly a senior air raid warden in sector 9, was promoted to chief air raid warden by the Civilian Defense Council. Melicker demonstrated his ability in leading wardens early in the war, having registered for civilian defense when Pearl Harbor was attacked and the call for volunteers was first issued here. Popular and well-known among the wardens, Melicker assisted Quirmbach in training wardens in gas instruction and general training. Later Quirmbach appointed him as local director of warden training.

In addition to Melicker's ap-

Bank Of America Unfurls Service Flags

War service flags have been unfurled at both the Colma and Daly City branches of the Bank of America, showing that 1255 young men of the bank had responded to the nation's call to arms.

The flags were unfurled by F. Erickson, Daly City, and John Ferrari, Colma, in the presence of staff members. Each flag consists of a large blue star on the white background, framed with a red border. The number of men in the services is indicated by white numerals on the blue star. Men who have given their lives are represented by individual gold stars, and four such stars are now attached to the flag.

Erickson and Ferrari pointed out that while additional men from the bank's statewide organization were going into the armed forces daily, the numerals on the flag will be changed only once a month.

Baseball Fans To See Doubleheader Sunday

Plenty of action is in store for local baseball fans, Sunday, at Marchbank field with a twin bill sponsored by the Daly City WPA Recreation department, according to Mrs. Marie Burton, director of the department.

Daly City Farrallone Packers will open the doubleheader with the Aquatic park nine at 11 a. m. In the afternoon game, scheduled for 2:30 p. m., the Moffet Mantecas from Moffet Field will tangle with the Longshoremen, both popular teams on the local diamond.

Games last week at Marchbank and Jefferson fields found the Treasure Island Naval Section base walloping Veneto restaurant to the tune of 17 to 1. Company A of the Army Quartermaster corps played the Warehousemen Union No. 860. Both games were sponsored by the Daly City WPA Recreation department.

Establish Center To Aid Housewives

Mrs. Eason Heads O. P. A. Committee

How much are you paying for meat, milk, and potatoes? Are you paying the right price for drugs and medicines?

During the emergency the question of price raises on everyday commodities has been of great concern to local household buyers. But establishment of the Consumers' Information center in Daly City, under the direction of the national Office of Price Administration, will answer the housekeeper's price questions.

Mrs. Ann Eason was recommended by county officials to act as chairman of the Daly City Consumer Information center in their plans to set up centers in every city in the county. She was appointed officially to the job by the local Civilian Defense Council.

Having just received complete instructions from the OPA in Washington in setting up the center, Mrs. Eason announced this week that the Daly City center has not yet found a location but the headquarters are expected to open to Daly City consumers next week. Also, Mrs. Eason added that a committee has not yet been named. However, the Daly City center will be sponsored by the Women's Civic club, she said. Much enthusiasm in undertaking the project was expressed by the women's organization at a recent meeting.

Mrs. Eason said that the office will be open one afternoon each week between the hours of 1 p. m. and 4 p. m. at the outset. However, it is possible that the office will remain open for a longer period during the week if there is a demand for more information by Daly City housekeepers.

"Purpose of this center," Mrs. Eason explained, "is to help local people make the most of their dollars in view of the wartime raise in prices.

"There really is a need for this in Daly City. I know of many housewives who might be paying more than they must.

"Even though the price raise

Rubber Salvage Campaign Begins In Earnest Here

Appoint Crane To Direct Drive In This Community

So that America's flying fortresses can continue to take off and keep flying, so that the caissons of the Field Artillery will "go rolling along," Uncle Sam needs rubber, even scrap rubber.

Ordered by President Roosevelt in his five minute radio address, last week, the rubber salvage campaign began in earnest in Daly City, Monday. R. L. Crane jr., local Salvage for Victory chairman, will serve as director of the local rubber drive which ends, Tuesday, June 30.

Civilians are asked to save any and all rubber for the campaign, including the youngster's outgrown playthings, Dad's old fishing boots, Grandmother's leaky hot water bottle, and hundreds of other discarded rubber articles that are tucked away in the attics and basements of every home. All Daly City housekeepers and every local citizen was asked this week to join in the drive for scrap rubber.

Scrap rubber can be taken to any local service station and it will be collected there. Service stations will pay a penny a pound for all rubber articles. Aiding in the local rubber drive will be the Boy Scouts of America, Cub Pack and Troop No. 141, it was announced, Monday, by Joseph Straughan, activities director for the scouts.

The federal government will buy the scrap rubber from the oil companies at the same rate, a penny a pound, and will sell it to the rubber reclamation company.

To Register Youths Of 18-20 On June 30

Preparatory to the registration of all local men between the ages of 18 and 20 years, Tuesday, June 30, local headquarters of Daly City Draft Board No. 103 announced, Monday, that the men will register at the same places in Daly City and Colma district as in former signups.

Daly City men will register at selective service headquarters at the city hall, while Colma men will register at the Colma firehouse. Three other locations will be used by other draft board territories in South San Francisco, Bayshore and Brisbane. Mrs. Isabelle Flynn, chief draft clerk, estimated that the Daly City registration will include one third of the number that registered in February, when more than seven hundred signed.

Those who must register in the coming signup are all youths who were born on or after January 1, 1922, and on or before June 30, 1924.

Daly City's largest draft contingent since the selective service went into effect left, yesterday, for the induction station in San Francisco. Selected as leaders for the group were August Gaggero, Paul Ferron, Ernest Flick, and Arthur Ferretti.

Want To Keep Fit? Here's Your Schedule

To meet a greater need than ever before for physical fitness, the 1942 summer sports program at Jefferson Union high school's modern athletic plant will be inaugurated, Monday. This announcement was made, yesterday, by Jefferson Union high school and the Daly City WPA Recreation department, co-sponsors of the annual project.

Doors of the swimming pool and the gymnasium will be thrown open to the public for the summer, with certified instructors directing all classes.

Under the direction of three high school instructors, Miss Juanita Young, Miss Ella Redkey, and Coach Milt Axt, the pool will be open daily during the summer months between the hours of 2 p. m. and 5 p. m. in the afternoon, and 7:30 p. m. to 9:45 p. m. at night. Classes for

Announce Local Gas Raid Signals

Wardens Responsible In Respective Districts

If Daly City is attacked by the Japanese, and local residents are threatened by gas attacks, the same warning signal and subsequent instructions will be followed here as have been established by the San Mateo County Defense Council, according to Arthur H. Quirmbach, senior gas officer of the local council.

No further instructions were issued in Daly City, and, to avoid conflicting signals or precautions, the local council will employ the same tactics which the county officials set up.

The responsibility of notifying residents that the city is under a gas attack has been placed squarely in the hands of block air raid wardens. Each warden is responsible for notifying the residents of his block of the gas attack by means of a signal, beating on a dishpan or any metal object which can produce enough noise.

A strict order regarding the sounding of the signal was given to all wardens. The warden should not give the gas warning

Reorganize County Rationing Program

While the entire rationing program in the county is undergoing major changes with the resignation of Paul I. Fagan as chief administrator, Ems McClung, chairman of the board in this district, announced that board members will not be changed. However, he explained that the board will no longer have affiliation with other county rationing groups under the reorganization plan.

It is likely that the board will be extended to a greater territory in the future, according to McClung. In this event, the board will include Daly City, South San Francisco, Bayshore, Brisbane, and the entire coast side of the county with a branch office at Half Moon Bay. Members of

Instructors Push Basic Training For Volunteers

OCD Ruling Gives Only Ninety Days For Completion

With the recent issuance of 351 gas masks to local civilian defense volunteers allotted by the national Office of Civilian Defense, basic training in civilian defense was being rushed this week by local instructors.

Although all the volunteers who received the masks completed the necessary three hours training in the use of the gas mask, the volunteers must complete basic training in their respective divisions within ninety days from the time they received masks. If this basic training is not completed, gas masks will be taken from them, according to a national OCD ruling.

Basic training includes classes in first aid, fire defense, gas defense, and general defense. The number of hours required of each volunteer depends on the classification—whether he is an air raid warden, auxiliary fireman, auxiliary policeman, first aider, utilities worker, ambulance driver, or any other member of the civilian defense setup.

In view of the fact that first aid classes are recognized as the most vital training and require completion of twenty hours by every member of civilian defense, particular stress was placed on first aid. During last week, nine first aid classes were started in

Grammar Schools Will Graduate 101

With the close of the school year, tomorrow, 101 graduates in the Jefferson Elementary School district will write finis to their grammar school education at Woodrow Wilson, Crocker, and Jefferson Elementary schools.

The graduates will be honored in exercises at Jefferson Union high school auditorium, Sunday afternoon at 2 p. m. The afternoon's program will open with the presentation by grammar school students of an operetta entitled "King Koko," a musical with a Pacific Island setting. Following the operetta, diplomas will be presented to the graduates and awards will be given to honor students.

Awards for character and citizenship from Daly City Post No. 410, American Legion, will be presented by Arthur H. Quirmbach, post commander. A boy and a girl were selected from each of the three schools as winners. From Woodrow Wilson school, Amelia Capurro and Frank Devlin won the awards; Inez Chelone and Norman Stanghellini won at Jefferson school; and Ina Mae Sadler and Benjamin Greenough won at Crocker school.

An award to the highest ranking scholar in the district from the Daly City Unit No. 410, American Legion auxiliary, will be presented by Mrs. Naomi Murphy, unit president.

Awards from the PTA units to the highest scholar in the respective schools will be presented by Mrs. Hazel Cassasa, Crocker; Mrs. Hazel Keagle, Woodrow; and

Grass Fires Give Firemen Busy Week-End

Four grass fires, two of which blazed in the extreme north end of the city near the county line, kept the Daly City Fire department busy, between 4 p. m. Thursday and 12 noon Saturday.

Companies 1, 4, and 5 put out the two north end fires. The first one occurred Thursday evening on the hills near the wireless station. The second time that the same companies were called out was shortly after noon, Saturday.

Company 1 responded to a call, at 3:30 p. m. Friday, when a grass fire started in a vacant lot adjacent to Wit's End restaurant, 6055 Mission street.

A grass fire in a lot on Vista Grande avenue called out Companies 1, 2, and 3, Thursday afternoon.

STUDENT BODY OFFICERS AT JEFFERSON HIGH

Recent student body elections at Jefferson Union high school resulted in the selection of the students photographed above as officers for the fall term. Left to right are: La Verne Merlo, treasurer; Walter Cavagnaro, judge; Beatrice Bordsen, secretary; John Rerecich, president; Tillie Castro, vice-president; Newton Kile, sergeant-at-arms; Jennie Giusti, yell-leader. The group is already hard at work on plans for the new term, which begins August 31.

LOCALS...

Harold H. Chouinard, Washington, and **Mary Ellen Roberts,** Daly City, were issued a marriage license in San Mateo county, last week.

Mr. and Mrs. Manuel Munoz, 570 Winchester street, are the proud parents of a daughter born, June 3, in San Francisco.

Alfred Frank Lagomarsino, Colma, and Elsie Eleanor Pietronave, South San Francisco, applied for a marriage license in San Mateo county, last week.

Alfred Milano, Daly City, and Ardell Felming, San Francisco, applied for a marriage license in San Mateo county, last week.

A. W. Ainsworth, 730 Templeton avenue, left Thursday, for Fort Ord, California. He will act as technical advisor for the tank battalion there. Ainsworth was formerly with Earle C. Anthony, San Francisco.

Mr. and Mrs. James E. Surber, 83 Shakespeare street, are being congratulated upon the birth of a daughter, June 8, in San Francisco.

The deep South is a big disappointment, compared to good old Daly City, according to a letter received by the editor from **Paul Green,** this week. Green, well-known young man from Daly City is now stationed with the III Army Corps at Fort McPherson, Georgia. A private first class, he serves in the office of the finance officer.

An excerpt from Green's letter reads: "As I write, I'm perched at my typewriter in a pair of shorts, and, although it's shady, I'm sweating like a dog. The weather here is just too hot. Every third day we have a cloudburst, accompanied by a barrage of heat lightning and, although we're unused to rain in June, it's a welcome relief in this climate. To sum it all up, though. I wouldn't trade everything south of the Mason-Dixon line for a bucketful of good old Daly City dirt.

"The Record has been coming in regularly, although it's sometimes late due to my many changes of station. The farther we get from home the more welcome is the home-town newspaper, for we like to learn what's going on on the coast and sometimes people don't write so often as you might expect."

Mr. and Mrs. Ralph Clark, and daughter Frances, returned to Pendleton, Oregon, this week where Clark is stationed as air corps mechanic. The Clarks are well-known here, since Ralph graduated from Jefferson Union high school in 1932 and his parents live at 251 Wellington avenue. Mrs. Clark was formerly an usherette and cashier at the Daly City theatre.

Heart Attack Fatal To Frank C. Morrison

Frank C. Morrison, 73, retired railroad employee, succumbed to a heart attack, Friday evening. He resided at 527 Evergreen avenue.

Morrison had been a resident of this community since 1934. He is survived by his widow, Mrs. Emma F. Morrison, and a son, Ernest Morrison, San Mateo.

Funeral services were conducted Monday afternoon at 2:30 p. m. from the W. C. Lasswell Company chapel.

Report Bob Morris To Be Much Improved

Condition of Bob Morris, 186 Irvington street, son of J. G. Morris, was reported to be much improved by attending physicians at the South San Francisco General hospital, Monday.

Morris, a shipyard worker, was injured two weeks ago when he fell from an upper deck, a distance of about sixteen feet, while working at the Western Pipe and Steel company. He suffered a severe back injury, skull injury, and a fractured wrist.

pointment Eugene Norton, a zone warden, was elevated to assistant chief air raid warden. Having recently completed the ten day course in civilian defense at Stanford university under the direction of army instructors, Norton serves the local Civilian Defense Council as a well informed authority in civilian protection.

The third appointment in the warden service was the selection of Moe Plansky as chief day warden. Plansky, another volunteer who saw duty in civilian defense in the early stages of the war, has charge of organizing a new corps of wardens who will guard against air raids in the daytime. A women's corps of wardens is being formed by Plansky.

addition to many more which have already been functioning, according to R. L. Crane jr., first aid chief.

Captain Albert Sundstrom of the Daly City Fire department is supervising classes in fire defense for the volunteers. A large number of auxiliary firemen have completed the fire prevention course.

Instruction in general defense training has not yet started in Daly City, but it is expected to begin as soon as first aid classes have been completed. Armed with instruction from army officers who specialize in civilian defense education, three local members of the Civilian Defense Council are eligible to teach the classes in general training whenever the council requests their services. The three men, Arthur H. Quirmbach, Eugene Norton, and Crane, completed a ten day course of instruction so that they might further local training.

Volunteer telephone operators of the control board underwent a test, Monday night, to familiarize themselves with the type of calls that might come in from air raid wardens and others in the field. Three outgoing and three incoming phones were used in the test.

P. G. & E. Assures Jobs

All Pacific Gas and Electric Company employees who serve in any branch of the armed forces are assured of jobs in the company when the war ends, with all their rights preserved.

P. M. Downing, vice president and general manager of the company, has announced that "the P. G. and E. is doing everything that human foresight can conceive to provide for the rehabilitation after the war of all employees in the American forces—to give them jobs, to preserve their service and seniority rights, to safeguard plans for their eventual retirement with pay, to protect their future in other ways."

Benny, Lombard Head Cast Of New D. C. Theatre Film

Melodrama and comedy are skillfully blended in Ernst Lubitsch's newest film production, "To Be Or Not To Be," which will have its local premiere at the Daly City theatre, tonight, through United Artists release. Presented by Alexander Korda, "To Be Or Not To Be" has Jack Benny and the late Carole Lombard in the top stellar roles.

The setting of "To Be Or Not To Be" is Warsaw at the time of the German invasion, and the chief characters are a bunch of "ham" actors of the Teatr Polski, who are forced to give up their theatrical roles for real life ones that are far more exciting than any they have ever played in the theatre.

One of the principal public squares in Warsaw was erected on a huge stage and more than three hundred extras were hired to appear as Polish citizens. In the most prominent spot and jutting out into the square is seen the big Teatr Polski in which the city's favorite stock company held forth. Lining the streets are beauty salons, haberdashery shops, millinery establishments, florist shops, shoe stores and office buildings. Dashing down the street are horse-drawn cabs, automobiles and bread peddlers on three-wheeled cycles. Months of research preceded the designing of the sets.

The story of "To Be Or Not To Be" reaches a high point of dramatic action when the "ham" actors—Jack Benny, Carole Lombard, Lionel Atwill, Felix Bressart, Tom Dugan, Charles Halton and George Lynn—become involved with the invaders and find themselves impersonating every important Nazi figure from Hitler on down. After a series of startling complications, the members of the troupe are delivered out of Poland into England, snatched from the very jaws of the Gestapo.

RECEIPTS INCREASE

Total governmental receipts of San Mateo county amounted to $2,574,172 for the year ending June 30, 1941, compared with $2,449,755 for the fiscal year 1940, study of the revenues of California counties, completed today by California Taxpayers' association, shows.

Following the closing of household canners' registration, industrial consumers who use sugar for canning purposes will sign up during the next two week period, ending Sunday, July 5.

Householders who register today, tomorrow, and Saturday are instructed to bring with them information on how much sugar they used in canning last year. Also if purchase has already been made of the food to be canned, they are instructed to bring a receipt to the Rationing board as proof.

Soldiers of Production

America's "soldiers of production," men and women working in the plants of American industry, have their uniforms, too. Some uniforms worn by G-E workers on vital production jobs are shown below.

1. Not a gas mask, but a special nose mask to guard his breathing, is worn by this spray painter at his job in one of the General Electric plants.

2. Like a man from Mars, the "cold room" research man is a strange sight as he tests airplane instruments for high-altitude performance in a G-E laboratory.

3. Frankenstein? No, just another G-E worker. His job is sandblasting big turbine castings for Uncle Sam's ships at one of the General Electric plants.

4. The helmet he wears is to protect him from light! The rays from a welder's arc could cause blindness if he did not wear this strange headgear.

General Electric believes that its first duty as a good citizen is to be a good soldier.

A CLEAR DISTINCTION

In commenting on Attorney General Biddle's opinion ordering the deportation of Harry Bridges, on the grounds that he has been a member of Communist groups, the New York Times said: "There is a perfectly clear and easily made distinction between the activities of Communists on the Russian front and the activities of Communists in the United States. We should be ungrateful fools not to endorse the first and aid it to the very limit of our abilities. We are not called upon to approve or accept the second, any more than Stalin is called upon to approve or accept anti-Communist activities in Russia." Russia is entitled to her form of government, we are entitled to ours.

CAN YOU VOTE?

July 16 is the deadline date for California citizens to register to vote in the August primaries. After July 16, it will be too late.

That makes the day one of importance to every responsible citizen. This year, the ballot is a weapon for the defense and security of California—a weapon which every Californian at home must use to the best of his ability, just as the soldier overseas has the duty to use rifle and machine gun to the best of his ability.

California lies in a military combat zone in this total war. What precautions shall be taken in making California life and property as safe as possible in the circumstances, what plans shall be adopted and carried out by law, what leaders shall be vested with authority—as governor of California, and in numerous other public offices where intelligent resolute leadership is essential in this war year—must be determined by the voters at the polls.

Soldiers, sailors and marines are eligible to vote, provided they would be eligible as civilians. That is to say, a man properly registered in his home county may use his absentee ballot from any point in the United States, just as if he were a civilian unable to be home on election day. He must, however, be in the United States. A soldier in a foreign country—Ireland, Iceland, Australia—cannot vote.

So, whether civilian or soldier, it is the Californian's duty to register for the most important election in our history as a State.

Make sure you can vote.
Then make sure you do vote!

Follies Feature Mexican Sequence

Infinite rehearsal and careful study of character were necessary for Bess Ehrhardt to create "Conchita" featured in the Mexican Fiesta Sequence of the Shipstad and Johnson Ice Follies of 1942, now showing nightly at Winterland in San Francisco.

Costumed in a brilliantly sequined circular skirt, reminiscent of Carmen Miranda, and crowned with an elaborately feathered head-dress, beauteous Bess swirls and swings through a sultry traditional Mexican folk dance. The smoothness of her movements and the graceful sinousness of her arms belie the patient hours of practice necessary to perfect the new routine.

Bess, as "Conchita," is the highlight of the twenty-minute long fiesta sequence. In it she is introduced by a dozen Ice Follies lads dressed as swanky Mexican dons. They work with her during the early part of the number and then retire to leave the ice to Bess alone.

Other features in the "Fiesta" sequence include a Mexican double, La Jota, by Canadian champions, Colson and Claudet, the Jarabe Tapatio, or Mexican Hat Dance, and a colorful group of Mexican flower girls.

Miss Mary Ellen Roberts Bride Of Harold Chouinard

Given in marriage by her father, C. W. Roberts, 167 Los Banos avenue, Miss Mary Ellen Roberts became the bride of Harold Harvey Chouinard at Our Lady of Perpetual Help church at 7 p. m., Wednesday, June 10. Father Adrian McKenna officiated.

A white satin gown was worn by the attractive bride. It was cut with a snug bodice and sweeping train and styled with a lace yoke. Braided pearls held the finger tip veil in place and she carried a shower bouquet of bouvardia and gardenias.

Mrs. William Donovan attended the bride as matron of honor. Her frock was of blue georgette. She carried a bouquet of American beauty roses. The bridesmaids were attired in frocks of pink lace and net. They were Miss Adel Didier, Miss Elinor Decuir and Miss Dorothy Owens.

Preceding the bride to the altar were Bonny Jean and Donna Mae Chouinard, tiny twin sisters of the groom, who acted as flower girls.

Accompanying the bridegroom as best man was Jack Roberts, brother of the bride. Ushers for the occasion were John Barich, Todd Williams and William Donovan.

Mother of the bride, Mrs. C. W. Roberts, was dressed in a gown of rose lace. She wore orchids. Attired in a peach gown with white accessories was the bridegroom's mother, Mrs. Leo Chouinard, who came down from Seattle with the twins to attend the wedding.

After the wedding a host of family friends and acquaintances gathered at Masonic hall for the reception. A very enjoyable time was had.

The newly-weds remained for a while to receive congratulations and to participate in the dancing.

After tossing her bouquet, which was caught by Miss Didier, the bride left with the groom for a short honeymoon in Yosemite.

The groom is on a short leave from the Coast Guard Service. The young couple plan to make their home in San Francisco.

Einar Hansen and **Art Harris,** Daly City golf stars, each finished behind just two strokes, Sunday, at the Lincoln course in San Francisco, competing in tryouts for the Northern California Public Links tourney.

Driving Horses Will Be Nothing New To Him

With the rubber shortage, and threatened gasoline rationing even on the Pacific Coast, Good Old Dobbin seems to be bidding for a come-back.

One local man this really won't bother is Peter Dormoy, 40 Mission circle. Now employed with the Langendorf Baking company, Dormoy drives a modern truck. But if need be, he could easily go back to driving horses.

In September, 1909, he won honorable mention in the San Francisco Work Horse Parade association contest for skill in handling a team. At that time, Dormoy drove for Young and Swain Baking company. His horses were a handsome pair and he knew how to handle them. A picture taken at the time of the parade shows what transportation may come to again. Incidentally, it was interesting to note that San Francisco streets were cobbled at that time.

Group 141 Scouts, Cubs Enjoy Outing

Twenty-eight scouts and cubs of Group No. 141 went on a picnic at the Willows, Friday evening. Scoutmaster Joseph Straughan accompanied the group. Harry Mensell, visiting scout from New York, was also present at the outing.

Each boy brought his own picnic dinner. After the picnic an open air meeting was held. Donald Fulton was initiated into the troop.

At the close of the meeting the boys enjoyed a treasure hunt and played games.

Elmer Raanes, Bill Reardon, Thomas Tromborg and a new addition to the scouts, Bobbie Thompson, took part in the MacArthur celebration at Kezar stadium, Saturday.

The boys participated in the pageant of colors. They carried the troop flag and three American flags. Straughan accompanied the group.

COAST GUARD SEEKS RECRUITS

The United States Coast Guard has announced an increased quota for men to be enlisted in June, and the officer-in-charge of Coast Guard recruiting in the northern California area is issuing a call for men between the ages of 17 and 35 to apply immediately for training. Application may be made at the San Francisco recruiting office, 110 Customs House, Washington and Battery streets.

JEFF ATHLETES NOW WITH NAVY

Daly City has been well represented in the United States Navy's highly praised athletic program at Treasure Island by former sports figures at Jefferson Union high school.

Ensign John Matthews, athletic director on the island, who has promoted several ring shows and has figured prominently in the Navy's athletic program in his eight months in the service, was formerly head football coach at Jefferson. Matthews relinquished the Jefferson post during the 1941 football season to take up duties in Treasure Island athletics.

Three former Jefferson athletes, Jack Andriola, Harlan Ferrando, and Tony Mendola, also serving with Uncle Sam's Navy, fought recently in Intra-Service bouts at the Coliseum Bowl.

Our boys at the front need a steady flow of supplies. You can assure this by systematic purchase of U. S. Defense Bonds and Stamps.

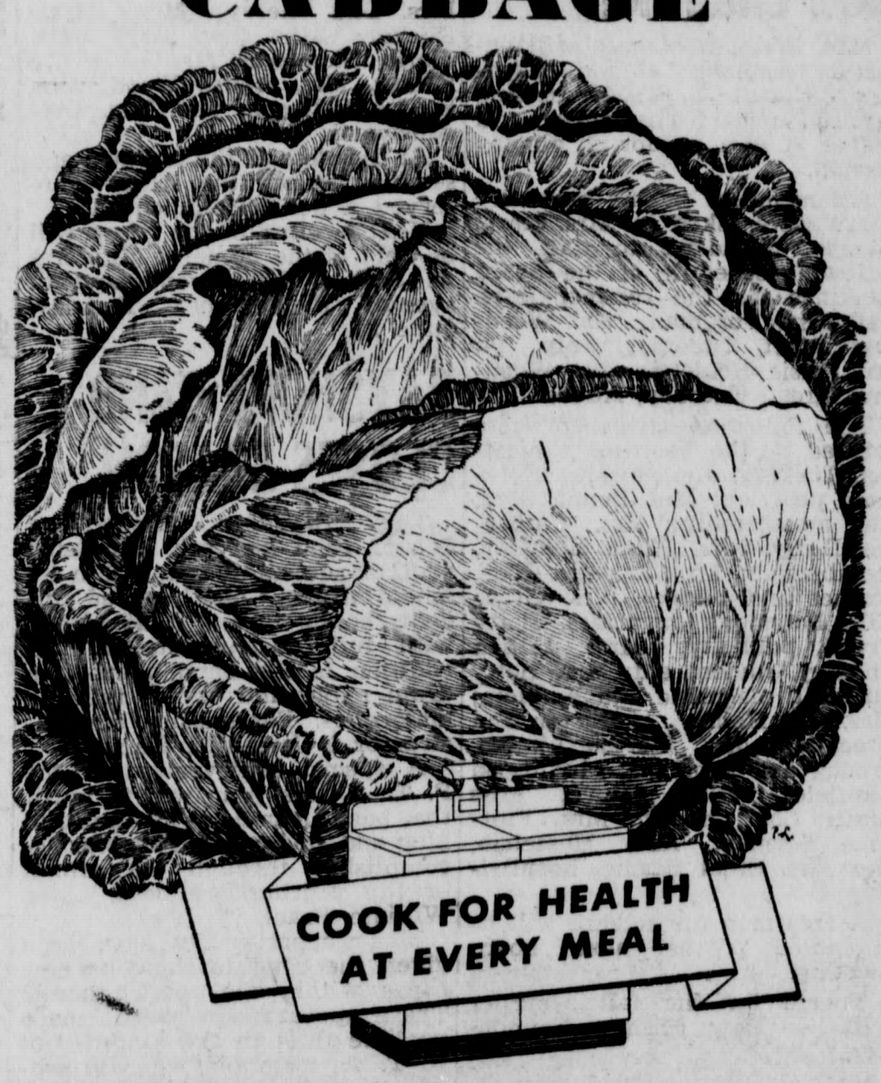
Consider the CABBAGE*



CONSERVE VITAMINS AND HEALTH-BUILDING MINERALS

* *Scientific analysis shows that cooked vegetables many Americans eat contain less than half the vitamins and minerals they had when fresh.*

For example, CABBAGE cooked the average way (usually too long and in too much water) loses 69% of Vitamin C, 72% of calcium and about 50% of other minerals.

Always start vegetables in boiling water and note the flavor difference!

This is a message to Victory Garden growers and all vegetable and fruit loving Californians.

Cook these healthful natural foods to preserve their full nutritive values. You will be repaid by greater flavorfulness, more appetite appeal, more health-giving energies.

Follow these simple rules to get the most out of the fruits and vegetables you cook.

1. Use short cooking time. Do not add baking soda to preserve color as it destroys minerals and vitamins.
2. Use little or no water. Excessive water boils away the nutritive values in fresh foods.
3. Start ALL vegetables in boiling water.
4. Cook all vegetables as nearly whole as possible.

Buy food carefully . . Cook it right . . Waste nothing.

BAYSHORE BAND CLOSES SEASON

The Bayshore Elementary School band has just completed another successful term. This school of about one hundred students boasts a band of 25 pieces, with full instrumentation. In addition to the band, there is a drum major and twelve twirling majorettes. Bandmaster and instructor is James M. Kessen.

A special achievement of the P. T. A. this year was to outfit the band members in beautiful blue and gold capes. This was accomplished through the efforts of the retiring president, Mrs. William Praul.

Many opportunities have been given the band to show its new capes within the past month. These appearances were made possible through the kindness of P. T. A. members who furnished private cars for transportation.

The first appearance of the band was on May 17 at the San Bruno Posie Parade. On May 22, the band performed at the Cow Palace for many thousand soldiers. On May 29, at the school auditorium, a concert was given for the P. T. A.

On Saturday, May 30, the band marched in the Victory Parade at San Mateo, where they won the Blue Ribbon for "Outstanding Achievement." Moving pictures were taken of the parade. On June 8, a concert was played at Visitacion school, and on the evening of June 9, phonograph recordings were made of the band.

On Thursday evening, June 11, a small wind instrument ensemble of band members played the graduation march. James Ferguson of Jefferson Union high school, was guest speaker. Three graduating members of the Bayshore school band played solos.

Give Father a Break!

By BETTY BARCLAY

Surprise Dad on Father's Day by serving a real man's meal — smothered chops, a rich chocolate pie and iced tea that will make him forget heat or humidity. Decorate your pie so he will SEE the meal is for HIM.

It's easy! Here are the three recipes you need. The rest is up to you:

Lemon Smothered Chops

2 pounds pork or lamb chops, cut thick

Put in a large covered skillet or chicken fryer. Cover top of meat closely with:

2 unpeeled lemons, sliced
1 large sweet onion, cut in rings
1 green pepper, cut in rings
1 teaspoon salt

Pour over all:
2 cups tomato juice

Dot with flakes of fat cut from meat or butter. Cover and cook on top of stove 1½ hours or until done. Lift onto a hot platter, being careful to keep lemon, onion and pepper slices in place. The meat cooked this way acquires a chicken texture and color, while the lemon, onion, pepper and tomato make a delicious sauce accompaniment. Serves 6-8.

Magic Chocolate Pie

2 squares unsweetened chocolate
1⅔ cups (15 oz. can) sweetened condensed milk
½ cup water
¼ teaspoon salt
½ teaspoon vanilla
Baked pie shell (8-inch) or cookie pie crust

Melt chocolate in top of double boiler. Add sweetened condensed milk and stir over rapidly boiling water 5 minutes until mixture thickens. Remove from heat. Add water and salt. Stir until thoroughly blended. When cool, add vanilla. Pour into baked pie shell or cookie crumb crust. Garnish with the words "Best Wishes Father" in whipped cream, if desired. Chill. This novel chocolate pie for Father is sure to make a tasty tribute because, made with sweetened condensed milk, it is failure-proof. It's a sugar saver, too.

Hawaiian Iced Tea

This summer, drink beverages sweetened by nature's own hand, and save your sugar ration for the extra fillip in nutritious custards, puddings, and other made dishes.

Serve tall glasses of tea, for example, frosted with several frozen squares of canned unsweetened Hawaiian pineapple juice. The pineapple juice, extracted from fruit which has been permitted to bask under an Hawaiian sun until just the correct degree of ripeness before picking, contains the maximum amount of natural fruit sugar and vitamin content. So the addition of pineapple juice ice cubes to tea adds a delicious flavor as well as vitamins B_1 and C.

War had extended into the cribs today as infants were expected to take their long pulls from shorter rubber nipples. In issuing specifications for the smaller nipples, the War Production Board said the smaller feeding nipples would result in the saving of 45 tons of crude rubber annually.

NATURALIST SOCIETY

Have you noticed those cute little bug pins quite a number of the students have been wearing this week? If you haven't you should take a look at them, as they are the Naturalist society's new membership pins.

The pin is a Scarab beetle in green and gold. These are the first pins ever worn by the group.

Members of the society enjoyed a wiener roast and swimming party at Alum Rock, last Saturday. Accompanying them were Edgar and Arthur Smith.

Their second trip to Yosemite Valley is being eagerly anticipated by the students. The group will leave, Saturday morning, and spend the weekend at the valley.

Accompanying the group will be Edgar and Arthur Smith, Walter Griffith, Mr. and Mrs. Thor Krogh, Mrs. Greig, and Mrs. Yates.

EXECUTIVE BOARD

John Rerecich, newly elected student body president, is busily engaged in planning next semester's assembly schedule. According to Rerecich's plans, the students are in for another semester of grand entertainment.

"I hope to continue the fine work of Roy DeVincenzi, and provide the students with entertaining and educational pictures, speakers and lots more student participation assemblies," stated Rerecich.

"With such a fine group of officers, chosen by the students, to assist me next term, it's sure to be a success," he concluded.

Assembly schedule, outlined by Rerecich for the coming semester, is as follows: Monday, homeroom; Tuesday, speaker; Wednesday, movies; Thursday, miscellaneous; and Friday, student participation day.

RALLIES

With school coming to a close tomorrow, many of the students will be off for vacationland and summer activities.

But—there are a few of Jeff's students who are looking ahead to the football season next semester. That means plenty of work for a successful season.

Roy DeVincenzi, who has held the position of rally committee chairman for the past two years, has turned over his office to Tom Callan. Callan is well known to all Jeffersonians for his fine football playing. He expects to give the students something really new in the way of rally entertainment.

Jennie Giusti, head yell-leader, has been working hard to get her new assistants in shape for the coming term.

It is the general opinion of the student body that the way Miss Giusti and Callan are working, Jeff's spirit will be right on top at the opening of school, Monday, August 31.

SERVICE FLAG

Formal dedication of Jefferson's service flag for graduates and faculty members in the armed services was made, last Tuesday, in the auditorium.

The flag, made of celanese taffeta and five feet by nine, contained 64 stars, including two gold ones.

Betty Inks, chairman of the student committee, presented the flag to Roy DeVincenzi, student body president.

The presentation was followed by a brief prayer of dedication by Clive M. Saiz, faculty chairman in charge of the service flag.

James Ferguson, principal, gave a brief address praising the spirit of the Jeffersonians now in service.

The flag will hang in the front of the main assembly hall.

The flag was purchased by the student body, and the stars are a gift of Mr. and Mrs. Remi Sanders. Sanders is chairman of the school board.

CAMERA CLUB

Arthur Smith, faculty advisor in charge of the Camera club of Jefferson, announced this week's winner of the photo contest. These contests have been held for the past three weeks.

This week's winner is Leslie Greig. Other winners of the past weeks include: Verna Moresco and John Foreman.

Officers of the group include: Alice Forest, president; Maxine Hudson, vice-president; Bob Bybee, secretary; and Carol Bryant, treasurer.

New members initiated into the club, last week, include: Shirley Johnston, Gloria Nopper, Carmel Boscolo, Lenore Ross, Deloris Thomas, Jean Killitz and Virginia Jeffries.

AWARD

Charles May received a year's subscription to the Reader's Digest as a reward for his excellent scholarship record. He received the highest grades of any senior during his four years at Jefferson. He is also a life member of C. S. F.

Music

U. S. O. Program

The U. S. O. benefit program, presented by the band and chorus, under the direction of Oscar Busch, was a definite success. The returns from ticket sales will be turned over to the benefit organization.

Busch announced that approximately $50 was collected at Thursday's program.

Outstanding on the program was a piano solo, "First Movement from Piano Concerto," played by a Jefferson graduate, Eugene McClain. The audience was so impressed by McClain's ability that an encore was demanded.

Other soloists included: Robert Dyer, Kenneth Hatt, and Miss Charlotte Hatch, faculty member.

A fine demonstration was given by the three majorettes, Carmel Robin, Joyce Russell, and Esther Hanel.

Campus Co-Eds Initiate New Member

Miss Beatrice Putnam was initiated into the social club, Campus Co-Eds, last Tuesday. The ceremony took place at the home of Miss Pat Lawson, 166 Rio Verde street.

Bernard Janssen, Jefferson senior, showed moving pictures of baby day held at the local high school, at the girls' meeting, Tuesday. The gathering was held at the home of Miss Verna Flatt, Dolores street. Delicious refreshments were served at the close of the evening.

The girls have announced their program for the summer. All members have been asked to note the following schedule: June 23, 94 Theta avenue; June 30, 233 Attiio; July 7, 166 Rio Verde; July 14, 599 Niantic street; July 21, 27 Woodrow street; July 28, Dolores street.

Tivoli Relights Tonight In S. F.

The Tivoli, San Francisco, relights tonight, June 18, with a policy of spectacular girl-song-dance shows at popular prices. The new venture is under the direction of the Curran Theatre company and will introduce "Varieties of 1942," a harlequinade requiring the services of a numerous cast and what the modest interest inciter is pleased to call a chorus of "forty-eight fairest flowers of Venus' garden."

Two performances will be given nightly, at eight and ten. For the first week there will be no matinees. All seats will be reserved and sold in advance. By reason of the spacious seating capacity—the Tivoli is the largest legitimate theatre in town—and the two-nightly policy it is believed that volume will offset the lower scale of prices that would under ordinary conditions prevail for an attraction of similar standard.

"Varieties of 1942" may mark the beginning of a new cycle in the amusement world. It would not be inapropos that San Francisco should be the spot. From the days of the bawdy Bella Union or Thalia down through the Orpheum in its halcyon days the city by the Golden Gate has had a keen yen for fast moving entertainment that features beautiful girls and diverse specialties, reeled off with kaleidoscopic facility.

Use Tax Stamps For Year Go On Sale

Federal motor vehicle use stamps, costing five dollars and covering the 1942-43 fiscal year, went on sale Wednesday, June 10, at post offices and offices of internal revenue.

By July 1, all motor vehicles must display the 1½ inch by 2 inch postal red insignia bearing the $5 price mark on its gummed face. The California State Automobile association warns motor car owners that internal revenue agents will launch investigation of cars without stamps shortly after the July 1 deadline.

SOME COMBINATION!

Some folks say that cats don't like dogs, and that dogs don't like cats—but not so at the Daly City Nursery for Kit, a mother Persian cat; Boots, her kitten; and Vic, a Boston Terrier pup, are all one happy family as anyone can plainly see by this picture.

As a matter of fact the mother cat showed unusual hospitality when Vic, the pup, was left an orphan. She not only took him into her family home, but nursed him as well. Kitten Boots and Vic enjoy mealtime together.

Fessenden Takes Over Meat Dept.

Change in ownership and management of Westlake Meat department came, last week, when Bob Fessenden purchased the department from Joe Hoffman who had operated the business for a number of years.

Fessenden, a popular local business man and member of the Daly City-Colma Lion's club, is proprietor of Westlake grocery, 301 Miriam street, corner of Westlake avenue. Bob, as everyone calls him, and his wife Gail have been proprietors of Westlake grocery since 1937. The market, a well established firm then, has continued to grow in prestige and business volume under the Fessendens' progressive management.

Quality, low prices, and good service are companions in all departments at Westlake market. Bob will continue to offer a complete line of staple groceries, garden fresh fruits and vegetables, and he will personally supervise the selling of choice guaranteed fresh meats.
